

June 22, 2018

Dear Parents and Families,

I am so happy to welcome your child to my classroom! We will have a wonderful year and I am looking forward to introducing your child to the next stage of student life. You will be amazed at how much your child will grow this year. Having good supplies and organizing tools are a big part of third grade, so this list is important. Please have your student bring these supplies on the first day of school.

- Several number 2 pencils
- A pencil sharpener
- A large eraser
- A small pair of scissors
- A small box of crayons
- A glue stick
- A soft pouch to hold supplies (hard cases don't fit in the desks)
- 3 marble composition books, wide ruled
- The school planner, which may be purchased in the office for \$4.00. Please purchase only this planner, because I teach the children how to fill it in and it becomes part of our class routine. If you wish, you may send your child with money for the planner and I will have some in the classroom for purchase.
- A package of black dry erase markers
- Colored pencils and /or markers are optional

I will be supplying the necessary folders this year, and we will set them up on the first day of school.

I would also like each student to contribute to our class supplies for the year by bringing in a roll of paper towels and a box of tissues. If you would care to contribute wipes or hand sanitizer that would also be appreciated.

Please have your child bring in their exiting second grade summer packet and the index card for their Reading list book on the first day.

Have a lovely summer!

Mrs. Barbara Thompson
