ALL ABOUT AS²A

PHILOSOPHY

The faculty and staff of All Saints STEAM Academy believe that students experience a personal dimension of spirituality as they increasingly discover God’s plan for their lives. We believe that faith is not instilled in a vacuum or practiced sporadically. It must be incorporated into all aspects of life, from classroom instruction to religious services and every day activities. We are molding students who are “whole” – in body, mind, and spirit. To accomplish this, we are committed to educating students in the Roman Catholic tradition; hence our motto: *“Educating for wholeness and holiness”*.

HISTORY

In 1971, the Catholic parishes of Aquidneck Island, in an effort to keep Catholic education a viable choice for parents in their parishes, voted to consolidate the existing parish schools into one regional Catholic School to serve the needs of Newport County. The corporation members included the following parishes: St. Anthony, St. Augustin, St. Barnabas, St. Joseph, St. Lucy, and St. Mary.

The school was named Newport County Catholic Regional School and was comprised of two campuses. The former St. Mary’s building housed the Kindergarten through Grade Four and the St. Lucy’s building housed Grade Five through Grade Eight.

In 1981, due to a decrease in enrollment, the grades were consolidated into the St. Lucy building. The school remained there until 1990 when it moved into a Religious Education building behind St. Anthony’s Church in Portsmouth.

In 1994, the school was renamed All Saints Academy, The Newport County Catholic Regional School.

By 1997, it was decided that to provide a viable, Catholic education for area children, there should be a Catholic school in Middletown. The school was relocated on August 17, 1998 to its present location behind St. Lucy’s Church. The Diocese of Providence supported the school and a new corporation was set in place – All Saints Academy, Inc. In 2014 we began the process of becoming a STEAM school. We received our certification from Roger Williams University in the Fall of 2017 and are now known as All Saints STEAM Academy. (AS²A)

GOVERNANCE

All Saints STEAM Academy is a Diocesan Catholic School. As a part of the Catholic School System, it is responsible to the Catholic School Superintendent and designated persons within the Catholic School Office. All Saints STEAM Academy has a Consultative School Board that meets at least 5 times per year. The school board is advisory to the principal and is representative of the Catholic community. It serves as an important instrument in support of the mission of All Saints STEAM Academy Catholic Education. The members have limited jurisdiction in matters pertaining to the school. The daily operation of the school is the responsibility of the Principal. Major duties of the school board include:

- To develop policies for the school within the framework of Diocesan policy
- To assist in the preparation of the annual budget
- To develop short and long range goals for the school
- To assist the school in financial development, public relations, and fundraising programs

- To serve at the request of the principal in other school-related areas as needed

ASBESTOS

The State of RI enacted legislation requiring all public buildings to be reevaluated to determine if asbestos is present and if it poses a significant health hazard to the building's occupants. AS²A has on file plans showing the location of asbestos in the building and measures undertaken to comply with regulations to maintain a safe school environment. Requests to review these plans may be made in the school office. Asbestos Management Plans are updated every three years and more frequently as required, often as a result of capital projects.

ATTENDANCE POLICY

Regular attendance is crucial for the academic success of each child from the very first day of school. Parents are encouraged to emphasize this importance by keeping children home for serious reasons only and by encouraging children to be punctual. Consistent attendance contributes directly to academic success; therefore, students are expected to attend school and all classes every day. Upon returning to school after an absence, a child **MUST BRING A NOTE FROM THE PARENT STATING THE CAUSE OF THE ABSENCE**. After five (5) days' absence, a doctor's note is required. Children should not return to school until they are symptom free for at least a period of 24 hours.

State law requires that children attend school except when illness occurs. Therefore, we strongly discourage taking students out for appointments or vacations because it is impossible to make up a teacher's instructional presentation and other classroom learning experiences. We ask parents to plan their daily departures from home, vacations, and medical appointments in cooperation with the school calendar, daily schedule, and attendance policies. If you remove your child from school for vacation, be aware that it will have an effect on his/her grade. **Make-up work for prolonged absence is at the discretion of the teacher. Students are required to make up all work and homework missed in all subjects because of short-term absence.** Phoned homework requests made early in the day to the school office will be honored. The request will be filled by the end of the day and the assignments and books may be picked up after 3:00 pm in the school office or sent home with another student.

If, for any reason, a student is absent from school, parents must call the office by 9:00 AM to report the absence. If the school is not notified, the office staff will contact the parent to verify the absence. Voice mail is available, so calls may be made at any hour.

SCHOOL HOURS

School hours for all students: 8:40AM – 3:00 PM

TARDINESS

The school day begins at 8:40AM. Students are required to be on time for homeroom activities. Parents of students who arrive late are required to come to the school office to sign the child into school. Students will be marked as tardy after 8:40 AM bell. The principal will ask to meet with parents of children who are tardy too often.

EMERGENCY CLOSING/EARLY DISMISSAL/SNOW DAYS

If classes will not be held on a regularly scheduled school day for any reason, e.g. inclement weather, an announcement will be made on area television and radio stations. Similarly, if it becomes necessary to close early, an announcement will be made on the same stations. The school will also send out emails and telephone calls to all parents through the *School Messenger* notification program. Please listen to the radio or TV announcements for the Middletown school closing decisions.

All Saints STEAM Academy follows the Middletown Public School closings or delays.

SUPERVISION

Supervision is provided for students from 8:30 AM to 3:00 PM. The school is responsible for students during these times only. No student should arrive before 8:30 AM or remain beyond 3:00 PM unless they are enrolled in the Extended Day Program or involved in designated after-school activities. Students left in the school beyond these school hours will be signed in to the Extended Day program and parents will be charged for the service.

ENTRANCE/DISMISSAL

When your child arrives, he/she should go to the black-top area at the side of the school building. There are two (2) adults on supervision each morning beginning at 8:30 AM. DO NOT leave your child at the blacktop area before teachers are on duty. If the weather is inclement, your child should enter by the main door and proceed to the multi-purpose room. Do not park at the curb in front of the main entrance. This area is for bus drop off in the morning. Please park in the parking lot if you need to come into the building during the day.

Dismissal begins at 3:00 PM each day. All car rider students will exit by the door between Pre-K and Kindergarten. Teachers will escort car riders to their cars. We will provide a sign for your dashboard to help us identify your car. Please make use of it. This is a drive in/drive out system with all cars moving along the curb. No student is to walk or run into the parking lot itself. Students will not be dismissed to cars parked across the lot. PLEASE REMEMBER: School buses have the right of way.

Bus students will be accompanied by a teacher and proceed to the buses lined up by the curb.

Please let your child's teacher know his/her daily routine for dismissal; call or write only when that routine is changed. Please make all dismissal calls to the office by 2:30 pm (unless there is an emergency). Please notify the school in writing when someone new will be picking up your child. We will ask for a photo id.

If you need to speak to a teacher, you must call for an appointment. See pages 18 and 21.

MEDICAL/DENTAL APPOINTMENTS

Parents are asked to schedule medical, dental, or orthodontic appointments outside of school hours. When there are no other alternatives and appointments must be scheduled during school hours, parents are asked to send a note to the office and must pick up their child at the school office. For reasons of safety and liability, the school will not permit students to walk to medical or other appointments during school hours. All students entering or leaving the school during school hours must be signed in/out by a parent or authorized adult.

ADMISSIONS AND FINANCIAL POLICIES

ADMISSIONS POLICY

All Saints STEAM Academy accepts applications for admission from students of any race, color, creed, or national ethnic origin. The Academy follows the Rhode Island State Laws regarding the age for admitting children to the Kindergarten and to the First Grade.

Students are accepted for enrollment at AS²A in the following order of priority:

- 1) Families already enrolled
- 2) Parishioners from one of the parishes serving Newport County.
- 3) Other Catholic parishes
- 4) Non-Catholics

Applicants to the Academy must provide copies of

- The child's birth certificate
- If Catholic, the child's baptismal certificate
- A copy of the child's permanent record file including educational history, results of testing, report cards, health record, test results and team reports where the child was found to be eligible for special education or other services in order for the child to benefit from their educational placement.
- A character reference from the previous school, if applicable

An entrance test to identify a student's basic reading, writing, and mathematics skills may be given. The tests are for readiness and placement purposes. No child will be admitted who, in the judgment of the administration, would not have his or her needs met by the program at All Saints STEAM Academy.

To complete registration, the following must be provided:

- Physician's complete physical form
- Immunization record
- Application fee (No child will be placed on class or waiting lists until all fees are paid and all tuition payments are current.)
- Emergency contact form
- Financial Responsibility Form

ACCEPTANCE

Acceptance for all students will be on a trial basis for nine weeks. A child's academic progress and learning attitude will be studied during that time. Withholding of information concerning special needs a child may have will be considered grounds for non-acceptance or dismissal at the discretion of the school administration.

TUITION POLICIES

Tuition costs are set yearly. Because the School has full-year contractual and financial obligations that must be met, such as teacher salaries, heating, and electric bills, building maintenance and improvements, and other expenses, families that accept enrollment are required to satisfy the full annual tuition on time, as described in the School's Tuition Agreement [or Contract]. All families with children attending All Saints STEAM Academy are required to have a tuition contract on file ("Agreement"), which is signed by the child's

parents/guardians. If the parents/guardians are relying upon another individual to make payment or partial payment of the tuition, the parent/guardian is also required to have that individual sign this Agreement.

This annual published tuition amount may include specific related fees. The tuition amount does not include **incidental fees**, such as club and activity fees, lunch fees, fundraising, or fees for before-school or after-school care.

Registration fees are revised annually. Registration fees are payable at the time of registration and are non-refundable.

The Books and Technology Fee of \$275.00 is assessed to each family covering the costs of books, software and supplies.

Parents/Guardians must make payments to the School's designated tuition management program. All Saints STEAM Academy uses FACTS. There are no in-house accounts or billings, and no tuition payments will be taken at the office.

GENERAL TUITION CONDITIONS AND AGREEMENTS:

- Students may not attend classes until all tuition forms are received and verified by the School.
- [July and] August tuition payments must be received before an official class schedule will be prepared for the student.
- If [the July and] August payments are not made, students will not be admitted to class on the first day of School.
- Missed payments must be paid through FACTS within 14 days in order for the student to continue in classes. Late fees will be assessed by FACTS
- In the event of unusual or extenuating circumstances, parents/guardians must request a face-to-face conference with the Head of School. No arrangements will be discussed over the phone.
- The School may utilize virtual or distance learning during all or part of the school year. In-person instruction may not occur depending on many factors, including, but not limited to, laws, regulations, and government orders in effect at the time, and the School, in its sole discretion, may take additional measures and provide instruction in the manner it deems most appropriate to ensure the health and safety of all students, faculty, and staff. Other activities normally sponsored by the School, including, but not limited to, sports and after school programs, may also be limited, postponed or canceled, as the School may deem appropriate to protect the health and welfare of the School community.

LATE AND MISSED TUITION PAYMENTS:

- If parents/guardians choose the ten-month plan and miss a payment due to insufficient funds, they will be automatically charged a \$45.00 fee by FACTS and may incur a similar penalty from their own banking institution.
- If payment is returned to FACTS three (3) times, all future payments must be made in the form of a money order or bank check. Personal or company checks will not be accepted.
- All missed payments must be caught up and paid to FACTS within 14 days.

TUITION DELINQUENCY:

If parents/guardians do not remit tuition payments as described above, they will be considered delinquent and are subject to interest, late fees, and penalties. While a serious and charitable effort may be made to collect tuition, the School may use any legal means necessary to remedy tuition delinquencies, including using a third-party collection agency. All fees or costs incurred in collecting amounts owed may be included in the balance due.

Families with delinquent tuition balances during a school year also are subject to the following:

- Students with accounts more than 14 days in arrears will not be allowed to attend classes until the payment is received through FACTS.
- Students missing more than 15 days of class due to overdue tuition may be asked to formally withdraw from School and official transfer papers will be processed.
- Students may not be permitted to take semester or final exams until all tuition and fee obligations have been cleared.
- Graduating students may not be permitted to participate in graduation ceremonies or activities until all tuition and fee obligations have been cleared.
- However, when a student (or the School to which the student has transferred) requests a transcript of his or her school record, the transcript may not be denied on the grounds that the student has not paid his or her tuition. (Diocesan School Policy 4.22)

Families ending the school year still owing tuition, or other incidental fees, may not return to the School, or transfer into any other Catholic school, until their prior tuition obligations for all school years have been met.

TUITION OBLIGATION UPON WITHDRAWAL

If a family decides to withdraw its student from the School, the following schedule shows its financial obligation to the School:

Withdrawal on or before this date:	Family must pay this portion of annual tuition:
September 30	25%
October 31	50%
January 31	75%
March 1	100%

The withdrawal process begins by notifying the Principal’s Office. The withdrawal date in the above schedule is the official withdrawal date, as recorded by the Principal’s Office. If the family paid a greater amount of tuition than the amount required in the above schedule as of the withdrawal date, the balance will be refunded to the parent.

Note that, regardless of when or why a student withdraws or is required to withdraw:

- Registration and other incidental fees are non-refundable and will not be returned; and
- The student may not return to the School, or transfer into any other Catholic school, until any and all prior tuition obligations for all school years have been met.

DISMISSAL

If at any time the School determines, in its sole discretion, that it cannot successfully provide a student a Catholic education or that allowing a student to continue his or her education at the School would hinder the School's mission or operation, regardless of whether it is because of the student's conduct, his or her parent's/guardian's conduct or any other outside circumstances, the School may require the parents/guardians to withdraw the student. In such an instance, any tuition or enrollment fees paid in advance will be refunded to the family according to the withdrawal schedule provided above, unless the reason for the involuntary withdrawal was a result of severe disciplinary reasons. Students who leave the School as a result of severe disciplinary action will be responsible for paying the full tuition. Nothing contained in any other policy, handbook or verbal conversation can alter or minimize the School's unilateral discretion to terminate a student's enrollment.

FINANCIAL AID:

- Families must register for admission and also apply for financial aid each year in order to be eligible for financial aid. Awards are not automatically renewable.
- Families apply for aid through FACTS Grant and Aid.
- Financial Aid will be awarded based on ranked, verified, demonstrated financial need.
- Families must declare all sources of tuition assistance; parish, diocese, outside resources, etc.
- Financial Aid Awards will be pro-rated over 10 months.
- If a student withdraws from School before the end of the year, financial aid will be proportional to the time the student attended School.

GENERAL UNIFORM GUIDELINES

The attire of the students and the pride they show in their appearance contributes greatly to their attitude in class and the respect they earn. We expect parents to support the school dress policy by making sure their children leave home properly dressed for school. Students must have a note from a parent with an appropriate reason given if they come to school in non-uniform dress. If a student's dress warrants a change of clothes, the parent will be notified to bring appropriate uniform or take the student home to change.

Students are best prepared for learning when they are properly dressed and groomed. All Saints STEAM Academy students are expected to follow rules of good grooming and modesty. Uniform clothing is to be clean, in good repair, and worn during the school day and at all school functions unless permission is given by the administration. Parents may be called to bring appropriate clothing or take the student home to change. Clothing considered inappropriate for an academy student includes, but is not limited to: flip flops, low cut tops, short shorts, t-shirts with provocative images or language, etc. Days designated as “dress up” indicate special free dress days when students are expected to wear their best clothing.

ACADEMIC PROGRAMS AND POLICIES

Copies of the curriculums for each grade and specialty area may be viewed online at www.allsaintsacademy.org. Hard copies are also available for review upon request.

PROMOTION

Promotion to the next grade will be granted to a student who has successfully passed all major subjects. Any student who fails a major subject may be required to attend summer school. Failing grades are any grade below 70. Promotion and/or continued attendance at All Saints STEAM Academy will be in jeopardy if a student fails two or more major subjects.

Major subjects are Religion, English, Mathematics, Science, Literature and Social Studies.

HOMEWORK POLICY

Homework is aimed chiefly at reviewing, enriching, and developing greater understanding of matter already covered in class. Quality of homework should be stressed. Please consider the following for your child’s homework:

- Adequate lighting and study space
- Proper environment free from distractions
- A definite place and time for daily, independent study.

Where applicable, assignments are to be written in the required homework assignment pad. Parents should check these daily to see that a child is doing his/her required work. Study work is considered homework. The amount of homework given is at the teacher's discretion.

TESTING

The standardized testing program provided by the State and the Diocese is administered according to the Diocesan time table and grade recommendations. Parents are provided with a copy of their child's results.

GRADING SYSTEM/REPORT CARD

Teachers of All Saints STEAM Academy students attempt to keep parents well informed of their child's academic progress. This is accomplished through progress reports and/or conferences. Report cards are issued three (3) times per year to students. All parents are requested to attend a parent conference in October.

Report cards used are standard Diocesan cards. Four types of grading policies are in place based upon the grade of the child.

- 1) **Pre-School & Pre-Kindergarten-** Students are graded on a four-tiered scale (1=beginning, 2=developing, 3=proficient, NA=not assessed). Specials are not assessed in Pre-School and Pre-Kindergarten.
- 2) **Grade K-** A four-tiered descriptive scale is utilized (S=satisfactory, I=improvement shown, P=progressing slowly, E=experiencing difficulty). Specials are graded likewise.
- 3) **Grades 1-2-** Grading is based upon a rubric encompassing six criteria relative to skill mastery (NA=not yet taught, 1=Does not meet minimum objectives, 2=limited progress, 3=steady progress, 5=consistent strength). Specials are graded likewise.
- 4) **Grades 3-8-** Grading in grades 3-8 provide two grades in each subject area. The first is the rubric grade endorsed by the diocese and the second is a traditional numerical grade (average). Specials that meet once a week will provide only a rubric grade according to their individual rubrics. Technology and Spanish meet 2 and 3 times a week in grades 6-8 so a rubric and traditional numerical grade (average) will be provided.

Rubric Grade	Traditional Grade	Honors
5	96 – 100	High Honors with Distinction
4	90 – 95	High Honors
3	80 – 89	Honors
2	70 – 79	
1	Below 70	

SCHOOL SPEAK and PROGRESS REPORTS

AS²A uses *School Speak* for students in grades 3 – 8 which is an online grading program. The purpose of *School Speak* is to provide an open communication of what is going on in the classroom. This website allows you to monitor and access your child's grade online 24/7. Not only that, it also allows you to access the lessons, wikis, and flashcards so that your child can review them anytime they want.

Grades K through 8 receive periodic progress reports at the discretion of the individual teacher. Each teacher will inform parents of the schedule at the opening parent meeting in September. Parents must

sign the progress report and return it to the teacher. When the progress report indicates unsatisfactory or failing grades, missing or incomplete work, need for a conference, etc. parents are responsible for taking whatever action is necessary to help the student improve his/her progress before report card grades are recorded.

REQUESTS FOR TEMPORARY EXCUSES FROM SCHOOL - HOMEBOUND INSTRUCTION

A homebound excuse is to be provided on a limited basis when it is impossible for a student to attend any type of educational programming outside the home. If the student's school program can be modified to accommodate his/her needs, then homebound is not appropriate. Homebound excuses may not be used as a way to avoid compulsory school attendance and must be based on a doctor's recommendation. The purpose of homebound tutoring is to maintain current skill levels and prevent regression, if possible, until the student can return to school. In situations involving a long term absence, status reports and medical verification attesting to the continued need for homebound services must be made every thirty days. Instruction involving the delivery of service by a certified tutor may be done so, but only at the parent or guardian's expense and will have no impact on any financial commitment to All Saints STEAM Academy for the academic year in question.

PARENT – TEACHER CONFERENCES

A conference with the teacher in order to discuss the progress of each child is held after the first mid-trimester marking in October. Notices for scheduling these conferences will be sent home prior to that meeting.

Appointments with teachers outside of these conferences should be made in advance. Teachers should not be expected to meet with parents without an appointment. Parents may write a note to the teacher or call the office and arrangements will be made. If, at any time, you have any questions or anxieties concerning your child, we ask you to make an appointment with your child's teacher. Mutual cooperation will help prevent and/or alleviate problem situations before they become serious.

HONOR ROLL

Students are posted to the honor roll each trimester in grades 6 through 8.

First Honors - all grades **4** or above High Academic Achievement

Second Honors - all grades **3** or above Academic Achievement

Students are posted to the Academic Achievement each trimester in Grade 4 & 5

High Academic Achievement - all grades **4** or above

Academic Achievement - all grades **3** or above

Students must have Satisfactory or better on all subjects as well as conduct and effort.

SUPPLIES

Textbooks and workbooks are to be covered at all times, kept clean and carried in a school or tote bag. Lost or damaged books must be replaced and paid for at student expense. Students should not doodle on or in their books, book covers, or folders. We strongly encourage pride, orderliness, and respect for property.

Students must be prepared for each class with all books, supplies, and necessary material. A list of stationery needs is sent home at the beginning of the school year.

FIELD TRIPS

Educational field trips are planned to enhance the curriculum and are arranged at the discretion of the teacher. Written permission from the parents/guardians must be in the teacher's possession before a

child is permitted to participate in this activity. Only the school permission slip may be used. Notes written by parents are not acceptable. Permission given over the telephone is not acceptable. Please keep in mind that a field trip is a privilege and we reserve the right to exclude any child whose participation would disrupt the overall benefit of such trips. If a student does not go on a field trip, he/she should still attend school.

GRADUATION

Graduation, which signifies the successful completion of the academic requirements of the school, may not occur prior to the completion of the one hundred eightieth (180) school day in keeping with the Commissioner of Education and the Superintendent of Schools policies. A graduation fee may be charged for each student. The fee covers the cost of diplomas, end-of-year awards, and graduation expenses. This is determined and announced at the start of each school year.

Eighth Graders are expected to maintain excellent attendance rates right up to their date of graduation. They are expected to attend all graduation practices and activities. Any Eighth grader who fails to do so for what appears to be questionable reasons (even w/parental permission) will not be allowed to participate in the formal graduation ceremony. These students may have diplomas mailed to them.

The Pre-School and Pre-K classes participate in a special graduation program each June.

SAFE SCHOOL ACT

AS²A takes bullying in all forms seriously and strives to adhere to RI state law as articulated below:

STATE OF RHODE ISLAND
Department of Elementary and Secondary Education
SAFE SCHOOL ACT ~ STATEWIDE BULLYING POLICY
Effective: June 30, 2012

This Statewide Bullying Policy is promulgated pursuant to the authority set forth in §16-21-34 of the General Laws of Rhode Island. Known as the Safe School Act, the statute recognizes that the bullying of a student creates a climate of fear and disrespect that can seriously impair the student's health and negatively affect learning. Bullying undermines the safe learning environment that students need to achieve their full potential. The purpose of the Policy is to ensure a consistent and unified statewide approach to the prohibition of bullying at school. See Appendix for the entire policy.

COMMUNICATION BETWEEN SCHOOL AND HOME

An efficient system of communication between the school and the home is essential for maximum cooperation and understanding. It is extremely important for parents and teachers to work together. The school office is open each school day from 8:30 AM to 3:30 PM. Voice mail is available all times.

Calendars, principal up-dates, and news of PTO activities are sent home, emailed, sent via *School Messenger*, and posted on the school's website (www.allsaintsacademy.org) on a regular basis in an effort to keep all families well informed of school events.

At the start of each school year, a mandatory parent meeting is held during the early part of September. Parents are informed of their role and expected involvement in the school, school policies, and function of each school-related organization. Classroom teachers will meet with parents to share their expectations of students and parents and offer them the opportunity to share their expectations.

If you need to communicate with the principal and/or a teacher, please call the school office stating the nature of your call. If it is a matter of great urgency, please make that known immediately. When calling, please indicate several possibilities for days and times for a meeting or a telephone number where you can be reached and the best time to return the call. Please do not come in unannounced for a meeting unless it is an emergency. We urge you to communicate directly with the people involved first. If you are having difficulties or concerns involving a class, please discuss the matter with the teacher first. If you are not completely satisfied, seek an appointment with the principal.

All monies sent to school should be placed in a sealed envelope with the student name, grade, amount of money, and purpose. All notes and letters to teachers or principal should also be placed in sealed envelopes with the exception of dismissal changes.

Children may use the phone for emergency purposes only. Forgotten items including homework assignments or lunches are not considered an emergency.

A written message is required for:

- Emergency circumstances that cause a student not to wear the regulation uniform
- Treats for a child's birthday. Parents often wish to send in treats for his/her classmates on the child's birthday. The teacher is to be contacted in advance and the snack may be left in the school office in the morning. For the sake of all, these celebrations must be kept simple and inexpensive. Birthday invitations are not to be distributed in school unless all girls, all boys or all members of the class are invited. We do understand that it is necessary to limit your number of guests, but those who do not get invited feel left out. Please send invitations to the home of the invited child to avoid any hurt feelings.
- Parents/legal guardians custody procedures. We cannot accept notes from one parent telling us the other parent may not see a child or take a child from the school. If one parent has custody of the child and there is a problem or potential problem, we must have a notarized, official document for our file stating who the legal guardian is and what the particular custody arrangements are before we can accept additional directives.
- Administering any medication. Short/Long term forms requesting time, duration, and dosage for medications to be administered are available in the nurse's/school's office. Please complete and return this form to school with medication in original container.

A child's parent/guardian, registered nurse or a nurse/teacher are the only persons permitted by law to dispense medication. No school personnel may dispense medication. All medications are to be kept in the nurse's office. This is a protection for all students.

EMERGENCY CONTACTS

Each child must have on file in the office an updated form with a name and phone number of a person to be contacted in case of an emergency. This form must also have an alternate number to be contacted in case the parent is unavailable. It is important that the parent/legal guardian notify the school if there is a change of contact person in case of emergency. It is also essential that the parent/legal guardian notify the school if there is a change of address and phone number, and/or work phone number.

MEDICATION POLICY

Medication Policy (Revised according to RI state laws 9-99)

According to state law, the school does not accept responsibility for dispensing any medication. To be in compliance with state law and regulations, schools must conform with the following guidelines regarding the administering and dispensing of medications to school students.

No school employee, staff or faculty, may dispense or administer any medication to any students at any time under any circumstances, except for minor first aid treatment and the emergency treatment of a student as allowed by Health Department regulations.

The following are the options regarding the dispensing and administering of medications to students: Except for a nurse-teacher, or registered nurse, only a parent may administer medication to a student at school during the school day. **Written permission from the students' physician must be on file for students who are capable of self-medication with written directions for dispensing the appropriate dosage.**

All Saints STEAM Academy does not have a school nurse on duty. Any students requiring medication on a daily and/or as needed basis must have proper documentation on file with the school. No medication will be dispensed at the school until such documentation is provided. All medication must be in a labeled container with the child's name and appropriate dosage on it.

EXTENDED DAY & SUMMER CAMP PROGRAMS

The main purpose for the Extended Day/Vacation Camp Programs is to provide the child with supervision in a safe, healthy, and Christian environment before and after school and during the summer. Both programs use the multi-purpose room as their base of operations. Extended Day operates on regular school days for those who attend All Saints STEAM Academy. Summer Camp operates during summer break for our students and others as space permits. Cost is determined annually and must be paid separately from tuition.

Parents/Guardians are to register all students who wish to participate in the programs. Health and emergency contact forms must be on file for each child in the program indicating person/persons with permission to pick up and sign them in/out. The program hours are 7:30 – 8:30 AM and 3:00 – 5:30 PM for Extended Day and 7:30 – 5:30 PM for the Summer Camp.

Each child in the afternoon program must bring a healthy snack or purchase one from the snack box. The children attending summer camp must bring their lunch and snacks.

Students who arrive at school before 8:30 AM and /or who are not picked up by the end of dismissal time may be required to attend the Extended Day program. No student is allowed on the school premises unsupervised.

SPORTS/EXTRA-CURRICULAR ACTIVITIES

To be eligible for participation in these activities, a student must maintain 70 or higher in all subjects and "satisfactory" or above in effort and conduct.

Students are encouraged to participate in all outside sports and extra-curricular activities, e.g. soccer, Scouting programs, or parish events, and to notify the school of accomplishments so that proper recognition may be made via appropriate means.

All sports and extra-curricular activities at AS²A are dependent on volunteer coaches.

VOLUNTEERS

We encourage any parent, senior citizen, relative, or friend to assist us through volunteer time in our school. Per diocesan directive, all adult volunteers are required to pass a criminal background check. If you are interested, please send request to your child's teacher. The teacher or principal will then contact you for use of your volunteer services to the benefit of All Saints STEAM Academy students.

VISITORS

All visitors are required to enter by the front door and to report to the school office before going elsewhere in the building. There is a sign in/out log at the office for all volunteers and visitors. Parents and/or visitors are not allowed to go the classrooms while class is in session. Teacher or room visitations may be arranged either by contacting the teacher or by requesting an appointment through the principal's office.

PICK UP PROCEDURES

In the interest of safety, security and program integrity, we ask our parents, guardians, and guests to abide by the following rules:

EARLY DISMISSALS

Parents/guardians picking up children before the close of the school day are asked to inform the office of their intent prior to the actual pick up time. All phone calls regarding dismissal must be received by 2:30PM. All early dismissals must be picked up by 2:30PM. When you arrive, report to the front office, sign the child out and someone will go to your child's classroom and escort the child back to you in the lobby.

DISMISSAL TIME (3:00 PM)

Rhode Island law

Car riders- Children who are to be picked up at the end of the school day in a car are dismissed through the school's primary wing doors at the 3:00 PM bell. School staff members will supervise the departure and assist children as needed. Cars drive into the school parking lot and form a single line around the lot beginning at the door. In order to facilitate a safe departure for all students, we ask that you pull up in the line and your child/children will be called to your car when you approach the front of the line. There is no need to get out of your car. It is especially important that **all follow this procedure. Please do not park in the lot and come across to get your child.** Children will not be dismissed through the line to the lot. The safety of all children is of paramount importance to us.

Stay in the car line. Teachers may open the car door for the student, but **teachers may not buckle the student into the car seat.** Parents may get out of the car to buckle the student, but must maintain proper social distance from the teacher.

- **Do not drive around other cars in the line.**

- **Do not come into the building to pick up your child. Crossing the parking lot can be dangerous. Please be patient and join the car line. It does move quickly.**
- **DO NOT drive around the school bus when it is stopped to pick up students. IT IS AGAINST STATE LAW.**

Bus riders- Children who ride the bus remain in their classrooms until the buses arrive. They are dismissed as the buses are announced over the school PA system and escorted to the bus by a teacher.

It is extremely important that we always know how each child is to be dismissed each day. Please inform the school in writing of any changes to your routine. All calls about changes must be made by 2:30 in order to deliver messages to classrooms.

Parents will not be allowed to go to classrooms at the end of the day. Teachers are engaged in the closing activities of classes, reviewing homework assignments, making end of the day announcements, and helping children ready themselves for dismissal. Parents who wish to speak to a teacher should call to set up an appointment. Your cooperation is appreciated.

Extended day students will be called to the multi-purpose room when the program staff are prepared for them. They may be picked up between 3:30 and 5:30 via the doors serving the multipurpose room in the rear of the school.

PARENT-TEACHER ORGANIZATION

Every effort will be made to keep you informed and we highly recommend that you attend the meetings of the All Saints STEAM Academy PTO to hear and learn more about how you can help serve your children. Attendance at meetings is an enjoyable experience. The meetings are usually 30-45 minutes long. Free child-care is provided for the parent information part of the PTO meeting. The meeting will begin in the multi-purpose room and notification is sent home prior to each meeting. We look forward to your participation in our school community. Remember, you are the one who makes a difference in your child's success.

All Saints STEAM Academy School Safety Plan 2021-22

Dear All Saints STEAM Academy Families,

We hope that you have had restful and refreshing summer days in June, July and August as you reconnect with your family and friends. In these dynamic and changing times, we will continue to focus on our successes as a Diocesan school community of faith, to learn from what we achieved and to strive to complete another year of challenging learning for your students, with the health and safety of all in mind.

We have learned much about how we can work together safely at school. Our teachers, staff and students have acquired the grit and resilience to accept the necessary changes made to the normal school routines. We have learned that some of the new routines put in place to move safely within our school are long term improvements that we will keep. The arrival and dismissal routines will continue as before, as well as the use of the classroom outside doors for egress to and from the school. We will continue to meet with you on zoom in place of in person meetings. Our teachers and students will continue to move as stable cohorts throughout the school day, and the daily cleaning will continue throughout the year.

As we have done before, we will follow the guidelines of the Rhode Island Department of Education (RIDE), The Rhode Island Department of Health (RIDOH), the Centers for Diseases Control (CDC), and the American Association of Pediatrics (AAP). Our communication will continue throughout the school weeks as we remain flexible to adjust to future changes should they arise. Our faculty, staff and School Board are committed to providing a successful year of learning for our students.

We know that our students achieved learning in stable team cohorts while maintaining safe distancing, consistent handwashing and cleaning and disinfecting of common areas, which are proven actions that helped us achieve a full in person successful academic year. In addition, the wearing of face coverings while inside the school, helped to keep our class groups working safely and productively together. In the academic year ahead, students will be expected to wear face coverings while in school, and do not have to wear them while outside while at recess, in the morning arrival, and while traveling to St. Lucy's church and back.

What is evolving daily with Covid illness rates among our communities and within varying age groups, will inform the directives of our health organizations to help us continue through this year with safe practices for all in our school community. Let us look forward to our students' achievements this year. Their flexibility and determination inspire us all to provide them with another excellent year of their childhood. When we commit to working together, we have the proof that completing school in person is fun, attainable and successful for our students.

Please use this plan as a reference for school procedures in the year ahead. I look forward to working with you and our All Saints STEAM Academy community.

God bless you,

Anita Brouse
Principal

Health and Safety Protocols

Cleaning School Areas

Cleaning and the disinfecting of high use surfaces and areas in the classrooms, halls, multi-purpose room, and bathrooms will be intensified and consistent. Students and teachers will be expected to pay close attention to proper hand washing protocols and daily preventive practices. Information reminders and posters will be posted throughout the school campus for the community to follow for safe health behavior.

Throughout the day

- Frequent hand washing with soap and water will be built into daily classroom schedules
- Use of hand sanitizer dispensers mounted outside the classroom upon entry to and exit from each room
- Use of disinfecting spray and wipes on high touch surfaces.
- Bathrooms cleaned after each stable cohort use
- Lunchroom table surfaces covered with single paper sheet that is discarded after each stable cohort use
- Devices cleaned after each use and individual student supplies kept orderly
- Water fountains WILL NOT be in use throughout the day - students arrive to school with a full water bottle(s) for the day. A water bottle refilling station is in place.
- Outdoor egress for each classroom used for morning entry to the classroom **and** for travel to and from Recess (to eliminate congestion in hallway)
- Wall of classroom windows open when appropriate to allow proper ventilation throughout the classroom
- Windows cleaned and maintained throughout the school year

End of each day

- Trash removed to the dumpsters
- Bathrooms cleaned and disinfected
- Floors cleaned and rugs vacuumed
- High touch areas cleaned and disinfected
- Electrostatic disinfection spray to clean classroom surfaces

* As cleaning and disinfecting intensify, students are responsible for their materials and property. All supplies must be labeled and kept in usable form. Students are responsible for maintaining an orderly area around their desk daily to allow proper cleaning access.

Face Coverings

Wearing a face covering, or mask, is one of the known deterrents to ingesting the Coronavirus 19 droplets from those around us. Wearing a face covering among others shows safety for self and most importantly, safety for others. Asymptomatic people, who show no symptoms or outward signs, may have the virus and carry it to others. The face covering is important in reducing the spread of infection. The face mask must be cleaned daily to ensure that the surface remains free from germ build-up.

Each student must have a face covering to travel to and from school. Students will also wear a face covering when traveling within the classroom (i.e. to speak to a teacher or pick up materials) to the bathroom and to the multipurpose room. When a student is sitting stationary at a desk within a stable cohort and maintaining proper 3 feet social distance, he/she may remove the mask as directed by the teacher. Students may also remove the mask when outside, maintaining proper 3 feet of social distance.

The masks are to be one solid color, with no design or pattern. The only allowed pattern is the ASA uniform plaid. During “dress out” days, appropriate mask creativity (patterns/colors/logos) may be displayed. The face covering is considered an accessory and must be in line with our uniform code as outlined in the Student Handbook.

Unless there are other health concerns documented by a pediatrician impacting the use of face coverings, all students will be expected to wear masks daily.

Face Covering Guideline Tool

Stable Cohort Grade	Arrival/Dismissal	Stable Cohort At Desk	Stable Cohort In Motion
Preschool	Yes	Required when sitting static at desk (not moving)	Required
Pre-Kindergarten	Yes	Required when sitting static at desk (not moving)	Required
Kindergarten	Yes	Required when sitting static at desk (not moving)	Required
Grades 1-8	Yes	Required when sitting static at desk (not moving)	Required

Recess

When students of a stable cohort maintain proper 3 feet of social distance during outdoor Recess, masks may be removed. Students will play on the field, blacktop, swings, and playground bars as a stable cohort, on a rotating schedule. Each stable cohort will maintain a bucket of play equipment. Proper hand washing protocols will be observed before and after recess. Multiple stable cohorts will maintain a social distance of 14 feet during outdoor Recess.

Extended Day

Students will maintain their stable cohort during morning and afternoon Extended Day. Multiple stable cohorts will maintain the recommended 14 feet of distance between them. When multiple stable cohorts are sharing the multi-purpose room, grades 1-8 students must wear masks.

Screening

Following the guidelines of RIDE and RIDOH, it is required that screening for symptoms of illness takes place at home each morning before the students plan to attend school.

If a student registers a morning fever of 100° Fahrenheit or higher, apart from or in combination with other symptoms, that student may not attend school that day. For the safety of each student, please err on the side of caution when determining if your student is fit for a school day. Screening checks must be followed closely.

Any student who tests positive for the Coronavirus19 virus, must remain at home for 7 days from the testing day with a negative PCR test.

If a student becomes ill at school and exhibits any symptoms noted on the Screening Tool, he/she will be isolated, a parent will be notified, and the student must be picked up from school immediately. The emergency contact listed on the Student Information sheet must take the sick child home within 1 hour. RIDOH guidance will be followed according to the individual case. The stable cohort of the sick child will leave school as directed by RIDOH to allow proper cleaning and disinfecting of the classroom. Hybrid Learning will be in place during this time.

COVID-19 Symptom Home Screening Tool

Although the Attestation Survey will not be received in the office, it is your responsibility to check your students daily. We thank you for your cooperation!

Symptom	YES	NO
Fever (100.0° F or more)?		
New or worsening cough?		
Shortness of breath or difficulty swallowing?		
Body Aches?		
Chills?		
Runny or stuffy nose?		
Sore throat?		
Diarrhea?		

If the answer to any of these questions is yes, the student must not attend school that day

COVID-19 Potential Exposure Home Screening Tool

Symptom	YES	NO
Has anyone in your household been diagnosed with COVID-19?		
Have you been in close contact (less than 6 feet for a prolonged period) with someone who has tested positive for COVID-19?		
Have you been told to quarantine yourself by any public authority?		
Have you traveled anywhere outside the US or on a cruise?		

If the answer to any of these questions is yes, the student must not return until a time of 7 days has passed since the time of potential exposure/travel

Social Emotional Health

The new health and safety protocols including face coverings, social distancing, and the disruption of normal school routines are likely to impact students' social and emotional health. We remain committed to educating each child for "wholeness and holiness" as we develop our students' academic and social and emotional skills in a learning environment that is developmentally responsive to their strengths and needs.

Teachers will utilize the *Responsive Classroom* approach to integrate academic and social-emotional skills to create an environment where students can achieve their best learning. The teachers will use a combination of the following practices and strategies.

Preschool through Grade 5

- Morning Meeting/Prayer—the class meets at the beginning of each school day and proceeds through four sequential components: greeting, sharing, group activity, and morning message
- Establishing Rules—teachers and students work together to name individual goals for the year and establish rules that will help everyone reach those goals
- Energizers—short, playful, whole-group activities that are used as breaks in lessons
- Quiet Time—a brief, purposeful and relaxed time of transition that takes place after lunch and recess, before the rest of the school day continues
- Closing Prayer—a five- to ten-minute gathering at the end of the day that promotes reflection and celebration through participation in prayer

Grades 6-8

- Prayer/Daily Reflection/Advisory Meeting—students participate in a 3 minute Silent Retreat or reflection each day as guided by Loyola Press or Formed Daily. This set, predictable routine offers a solid framework for building meaningful connections and developing respectful and trusting relationships while meeting students' spiritual needs
- Investing Students in the Rules—a process facilitated by the teacher that is composed of four steps: setting goals, connecting the goals to rules, connecting the rules to concrete behaviors, and making the rules come alive
- Brain Breaks—short breaks in whole-class lessons that give students a chance to move and interact, used to increase focus, motivation, learning, and memory
- Active Teaching—a strategy for delivering curriculum content where the teacher presents, explains, illustrates, and demonstrates content in a way that enables students to meet a learning objective
- Student Practice—a process that follows active teaching where students explore and practice, under the teacher's guidance, the content and skills taught during a lesson - this gives the teacher the opportunity to identify and correct students' thinking before they practice further on their own

- **Small Group Learning**—a structured way for students to work on a specific learning goal, assignment, or project that is organized by the teacher

Additional resources for social and emotional support are available through the Diocese of Providence.

Instructional Plans

Children learn in an environment that stimulates their thinking to expand their understanding of the world. With the tools in place to search for answers and demonstrate their mastery of essential education skills, children gain knowledge in all areas of the curriculum. Educators inspire and encourage students to explore their talents while strengthening their abilities to write, calculate, and use critical thinking skills to advance their education journey.

Following are the three plans for education we will follow as dictated by the Rhode Island state mandates. We are confident that the high quality of Catholic education provided at All Saints in the past will continue into the future. Our faculty is dedicated to our motto: educating for wholeness and holiness.

In-Person Learning

- Masks worn by all students to and from school **and** at school

Students will attend school in person each day and remain with their stable cohort (homeroom class). The class size of each cohort will be defined by the number of desks which can be spaced three feet apart as recommended by RIDE. Teachers and students will maintain three feet distance within the classroom as much as possible.

Students will remain with their stable cohort for instruction throughout the day. Students are expected to have their own supplies and will not share supplies for classwork.

Students who receive additional academic support will be contacted by their town's school department to establish a weekly service schedule on an individual student basis.

Hybrid Learning

Hybrid Learning is a combination of in-person and online instruction. It will be offered only when a student has a health situation warranting home online learning.

Students who participate in Hybrid Learning will receive age-appropriate online education using the Zoom, Seesaw and Google Classroom platforms. Teachers will make every effort to reflect the in-person school instruction by providing the classroom materials and links through the appropriate online platforms and scheduled Zoom contact with the student. A fully functioning device and connection is necessary for this model. However, a classroom is a dynamic environment and plans often change or are modified. Communication is the key to the success of this type of learning.

As the in-person education continues at ASA, the at-home student is expected to attend to all learning activities individually. Students will be expected to fully engage in the online learning provided by the teacher and complete all assignments as directed. A daily schedule of class procedures will be provided to the at-home student and the student will be counted as present

for attendance and participation. Assessment of skill mastery and all grading will continue in pace with the in-person class. Distribution of Progress Reports and Report Cards will follow the scheduled school calendar dates.

Students in need of additional academic support who receive weekly services will be contacted by their town's school department to establish an online schedule of remediation.

Distance Learning

Should Governor McKee mandate remote learning, students will attend daily on-line instruction. Elementary and Middle School students will use Zoom and Google Classroom to receive instruction. Preschool, PreK, and grades K-2 students will use Zoom and Seesaw to receive instruction. Daily attendance will be taken, and all students are to be present on the screen, in an appropriate work area, with all materials and assignments prepared as directed by the teacher.

This on-line routine will serve as the mode for daily school instruction. Students are expected to wear their uniform shirts and follow the rules of a classroom at home during this on-line learning. All meals and bathroom travel are to be managed outside of this class time. Students are expected to provide quiet attention to the class, ready to participate when called.

Use of School Spaces

The All Saints STEAM Academy campus provides a welcome environment for our students to learn and grow. Student work is displayed and the halls, common areas, and classrooms serve as a familiar home to the children as they travel through the day with their classmates. In order for this world to stay as safe and healthy as possible, the following procedures will be followed:

Classrooms

- Students remain as a stable cohort in their homeroom space for instruction
- Students travel to bathrooms and to an outdoor area for recess
- Student desks spaced apart 3 feet in grades K-8, all facing in one direction
- Sinks in each classroom used for frequent hand washing
- Grade K-5 teachers instruct in their homeroom. Middle School students will rotate to grade 6,7,8 classrooms as scheduled for instruction. Special teachers (Art, PE, Technology, Music, Spanish) rotate to each stable cohort classroom. Students have their own supplies and will not share supplies.
- Each student will use an assigned device
- Students bring a sturdy backpack for storage of books and supplies **in** the classroom in place of locker use.

Hallways

- Safe distance signage will be spaced in the hallways to remind students of social distancing requirements
- Hall direction will be marked for easy travel flow throughout the school
- Scheduled hallway travel will alleviate all waiting in the hall areas throughout the day
- Hand sanitizer dispensers located outside of each classroom will be used throughout the day for entry to or exit from a room

Bathrooms

- A schedule will be followed throughout the day for all students to use the facilities as a cohort
- Preschool through grade 5 students use the girls and boys bathrooms on the main wing of the school. Stalls and sinks will be labeled for grade use
- Middle school, grades 6 through 8 students use the bathrooms located near the multipurpose room
- Screens installed between sinks and urinals, in both bathrooms, for safe social distancing and cleanliness

- Bathrooms cleaned and disinfected throughout the day after each stable cohort use
- Individual students may use the bathrooms as need dictates (in addition to their scheduled cohort use)
- Proper handwashing procedures and cleanliness must be observed at all times

Multipurpose Room

- Multipurpose room used for morning and afternoon Extended Day and for lunch periods
- Students sit as a stable cohort, 3 feet apart from each other
- Stable cohort tables spaced 14 feet apart, as directed by RIDE
- Paper table coverings used and discarded after each stable cohort use
- Masks worn while inside may be removed when at outdoor play

Students will maintain their stable cohort during morning and afternoon Extended Day. Multiple stable cohorts will maintain the recommended 14 feet of distance between them.

Reimagining the School Day

Parts of our daily school schedule and routines will be reorganized to accommodate the safety and health guidelines as directed by RIDE and RIDOH, in correlation with the CDC and the AAP. These changes may impact your experience throughout the school year. We continue to make every effort to meet the needs of our students and their families, while working diligently to create a safe and happy environment conducive to learning success.

Home Routines

- Check student for Covid symptoms (as outlined previously) each morning before drop off
- Pack one clean face mask for use each day
- Provide/pack water bottle(s) and nutritious snacks and lunch
- Keep a spare face mask in the backpack
- Notes or messages to teacher must be sent in the child's backpack, through email, or through a phone call to the office
- Essential visitors (picking up a sick child) ONLY will be permitted in the building

Arrival/Drop Off

Preschool and PreK students are walked to the appropriate red door and met by a teacher or teacher's aide. Parents may not congregate by the school entrance or in the parking lot and parents are **not** allowed inside the building for drop-off.

Grades K-8 students dropped off at the line of cones by the basketball court:

- Students gather in stable cohort (homeroom) lines, 3 feet apart, on the blacktop (8:30-8:40am)
- At 8:40, students directed by duty teacher to enter the exterior door of individual homeroom
- Inclement weather - students report directly to the exterior door of individual homeroom (8:30am)

Dismissal/Pick-up

Parking lot procedures for student pick-up remain the same. All parents join the car-rider line and process to the front of the school where a teacher will escort the student(s) to the car.

Teachers may open the car door for the student, but **teachers may not buckle the student into the car seat.** Parents may get out of the car to buckle the student, but must maintain proper social distance from the teacher.

- Students remain in their stable cohort until called over speaker system (by family) to go to their car or bus
- Mask must be worn when moving during Dismissal

Extended Day

Extended Day will be available for a limited number of students, by **reservation only**. **NO “walk-in” use of Extended Day will be available this year.**

Extended Day reservations are made by calling the office prior to the first day of school. Look for a School Messenger email in mid-August for complete information.
